

Technical drawing of a mechanical part, likely a shaft or rod, showing dimensions in millimeters. The drawing includes a side view and a cross-sectional view. The side view shows a length of 775 mm, a distance of 605 mm from the left end to the center of the cross-section, and a distance of 685 mm from the left end to the right end of the cross-section. The cross-sectional view shows a diameter of 110 mm, a distance of 70 mm from the left end to the center of the cross-section, and a distance of 30 mm from the center of the cross-section to the right end of the cross-section. The drawing also shows a small step or change in diameter on the left end, with a distance of 10 mm from the left end to the start of the step.
